TREASURER'S REPORT. A printed report was circulated. Again an excellent presentation, with annotations, some last minute payments were to be taken into consideration. The Society was in a healthy position financially with a balance of some £3K+ in the bank after making an overall profit of £200, reducing to £100 after prizes and weekend fees were taken into consideration. Members could pay by BACS, provided the Treasurer agreed, for established members. Subscriptions would revert back to £10 for the year. Members were reminded "That subscriptions should be paid no later than the 2nd meeting," as 2012 AGM previously agreed.

Mr Butler said prompt payment on match days was to be encouraged and instead of prizes from the raffles (some £200) you could benefit from a £250 discount on bookings.

Acceptance of the report was proposed Mr M Taylor, Sec.: Mr Rayfield. AiF.
